Dear Sir/Madam,

Yangzhou Jingdu Brush Co.,Ltd is a family owned and operated China based company, established in 2006. In the last 20 years it focused on natural white, black, grey boiled bristle, brush filament, tapered brush filament, make up filament, PBT eyelash filament. The company plays significant role in the region. We enjoyed great popularity in world market.

Refer to the production capacity, we can produce 1000 kg boiled bristle and 2000kg brush filament one day.

We have around 85 employees, 5 Engineers. We have good quality control system.

Now we would try to sell the top sold products directly to abroad. Please see the below all the products which are on the selling.

We would appreciate if you gave us inquiry.

Kind regards,

Sunny Wang
